

Shipping Options

CafePress offers multiple shipping options for delivery within the US plus international shipping across the globe.

In stock items will be processed within 2 business days. Expedited (2-Day/Next Day) orders placed by 12:00 PM EST will be processed within 1 business day. To calculate estimated delivery date add processing time to transit time. For example, an item that's processed in 2 business days and shipped using Standard shipping (1-5 business days) will arrive in 3-7 business days.

Note:

- If ordering 2 or more items from multiple shipping categories, you will be charged the first item fee of greater value. (Not including Posters or Framed Prints)
- Posters and Framed Prints ship separately from other orders and have a separate shipping charge. Example: 2 posters and 2 t-shirts = \$10 shipping (\$5 for the posters and \$5 for the t-shirts).

Shipping and handling charges and transit times are as follows:
